## **BLACK AND WHITE OVERSIZE PRINTING, COPYING, AND SCANNING**

We provide black and white printing up to 36" in width from hardcopy originals, or digital files. We accept files in .pdf, .tif, or .plt format. We can also print from Isqft (.cpc) files, Djvu files, AutoCAD, Word, Powerpoint, Excel and a range of other file formats (conversion charges may apply).

We can also scan your oversize drawings/prints to file (tiff, pdf, jpeg) for archiving, email, or editing. Our scanning pricing is extremely competitive, helping to make the transition to digital affordable our customers.

## **FULL COLOR OVERSIZE PRINTING, COPYING, AND SCANNING**

We provide oversize color printing up to 60" in width for large documents that need full color impact. We can print to a range of medias from regular bond for markup drawing sets and redline sets to photo gloss and satin for photo enlargements or presentation graphics.

We also offer foam board mounting for our oversize prints, allowing for a range of applications from advertisements and marketing presentations to courtroom displays.

## **SPECS AND OTHER SMALL FORMAT PRINTING AND SCANNING**

We provide full specifications book services including, printing, binding, and scanning. From individual sections to large runs of many books, we are here to meet our customers needs.

We also offer small format color printing (up to 12x18) at very reasonable rates, helping your promotional materials acheive the most impact.

## **BUSINESS CARDS, FORMS, AND ENVELOPES**

For your business needs we offer a full line of business card printing services including full color full bleed cards with a UV gloss coating, as well as raised print cards on a variety of paper stocks.

***1000 Full Color UV Gloss Business Cards  
for only \$65.00.***

We can also provide custom printed envelopes and business forms with your logo and information.

## **SHIPPING AND DELIVERY SERVICES**

We offer UPS shipping and delivery services for your plans/prints. This helps to save you time and get your prints where they need to go.

We can ship/deliver to you or directly to your clients, just let us know what you need.

## **SUPPLIES AND EQUIPMENT**

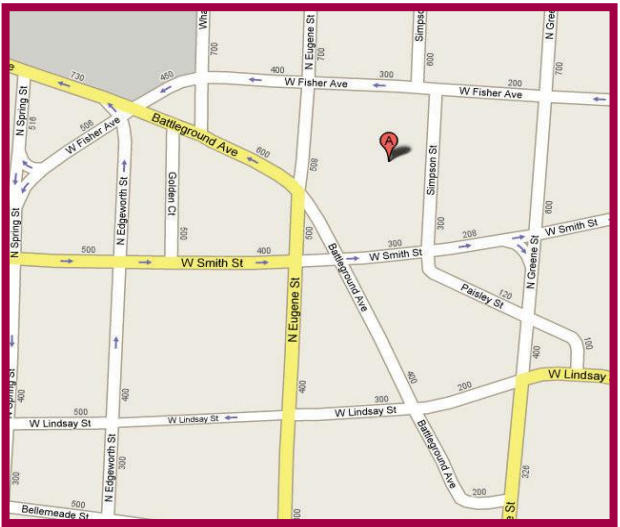

Do you already own a wide format printer or plotter?

We supply a full range of media, ink and toner for wide format inkjet and laser/led printers.

We carry rolls of bond in widths from 11" to 60", in weights from 20# to 46#, as well as vellum, mylar, glossy, satin, clear film, and adhesive medias for all types of applications.

Our large on hand stock means that we can get you the supplies you need immediately, we offer delivery for local customers, and UPS shipping for those further away.

Free shipping/delivery on orders over \$100!
